

Cunningham 6 (C6) Parking Lot Closure

August 11, 2008 through January 31, 2009

The C6 parking lot will be closed from August 11, 2008 through January 31, 2009 for campus infrastructure upgrades and re-stripping for ADA compliant parking spaces. Upon completion of the re-stripping, the north portion of the lot will once again be open while the southern portion of the lot will remain closed through January. Please refer to the map above for the location of the closed lot (red shaded area in the northeast quadrant). When choosing alternate parking that best meets your needs please keep in mind that the C1 lot (grey shaded area) is also closed due to construction. Alternate spots for those with disabilities are noted on the map (lots S1, B1, H1, H2, L4, L5). Pathways from the outer Cunningham lots will be fenced and marked for pedestrian traffic. As always, we know that this closure is an inconvenience and your patience is greatly appreciated.
